

Yuval Raphael - "New Day Will Rise"

Lyrics

And even if you say goodbye
You'll never go away
You are the rainbow of my sky
My colours in the grey
My only wish upon a star
Sunshine in the day
The only song that my piano ever plays

And even if you say goodbye
You'll always be around
To lift me up and take me high
Keep my feet close to the ground
Are you proud of me tonight
Dreams are coming true
I choose the light
Nothing to lose if I lose you

New day will rise
Life will go on
Everyone cries
Don't cry alone
Darkness will fade
All the pain will go by
But we will stay
Even if you say goodbye

Et même si tu dis adieu
Tu ne partiras jamais
T'es l'arc-en-ciel de mon ciel bleu
Mes couleurs dans le gris

Et mon seul souhait sous un ciel d'art
Un rayon dans ma journée
La seule chanson que mon piano peut jouer

New day will rise
Life will go on
Everyone cries
Don't cry alone
Darkness will fade
All the pain will go by
But we will stay
Even you say

New day will rise
Life will go on
Everyone cries
Don't cry alone
Darkness will fade
All the pain will go by
But you will stay
The love of my life

מים רבים
לא יכבו
את האהבה
ונהרות לא ישטפוה

New day will rise...
Everyone cries
Don't cry alone
Darkness will fade
All the pain will go by

But we will stay
Even if you say goodbye

A new day will rise
New day will rise

Englisch

And even if you say goodbye
You'll never go away
You are the rainbow of my sky
My colours in the grey
My only wish upon a star
Sunshine in the day
The only song that my piano ever plays

And even if you say goodbye
You'll always be around
To lift me up and take me high
Keep my feet close to the ground
Are you proud of me tonight
Dreams are coming true
I choose the light
Nothing to lose if I lose you

New day will rise
Life will go on
Everyone cries
Don't cry alone
Darkness will fade
All the pain will go by
But we will stay

Even if you say goodbye

And even if you say goodbye

You'll never go away

You are the rainbow of my sky

My colours in the grey

My only wish upon a star

Sunshine in the day

The only song that my piano ever plays

New day will rise

Life will go on

Everyone cries

Don't cry alone

Darkness will fade

All the pain will go by

But we will stay

Even you say

New day will rise

Life will go on

Everyone cries

Don't cry alone

Darkness will fade

All the pain will go by

But you will stay

The love of my life

Many waters cannot quench love

Neither can the floods drown it

New day will rise...

Everyone cries

Don't cry alone

Darkness will fade

All the pain will go by

But we will stay

Even if you say goodbye

A new day will rise

New day will rise
